Drama support brief

Creative Arts · GROW · Spring 2 Week 2 · Monday 1 March 2027 · P6

Before the lesson

Agree space, stop cue and private sharing option. Use invented events. Never touch or move a pupil into a pose.

Focus

I do: Make the change in pace or movement easy to notice. Invite a point or sign for the check after the model.

We do: Give each pupil one choice. If the hinge response is uncertain, model one clear contrast before returning to the shared try.

Independent: Use the prompt ladder. Record what support was actually used. Return the next choice to the pupil after a first-step model.

Prompt ladder

Point to the instruction or place.

Ask a short question.

Rephrase the instruction.

Provide a scaffold or choice.

Model the first step only, then return the task.

Record and return

Record the help used and the learner's own choice. Read any dictation back. Return the next step to the learner.
