Model step 1

Point wide. Say: We want a den. Hold for three counts.

Model step 2

Hands close. Pause. Say: The space is small.

Model step 3

Ask: Can we change it? Make a small roof with hands.

Model step 4

Point to the three parts. Say: Start, change, end. I kept that order.

Now make your own

Choose your role. Try a short scene. Change one thing.

The adult model is an example. Your arts log must show your real choice.
