Drama staff answers

Creative Arts · BUILD · Spring 2 Week 3 · Tuesday 9 March 2027 · P1

Weekly outcome

Sequence a short drama with a group.

Evidence to look for

Retain a dated sequence sketch or cue record, a brief adult observation of the real performance or rehearsal, and each pupil's own confirmed arts-log words. Record the contribution, change and support actually used. A photograph or recording is optional under local consent procedures. Never enter a teacher model as pupil work.

Model responses

Teacher model only: I gave the cue. We held the middle pose longer. The watcher saw the space change.

Teacher model only: Our silent cue helped us move together. Next time I will wait until all are still.

Checks and corrections

Improving a scene means making it louder - A clearer cue, pause or held pose can improve the story.

We must change the whole story - Change one feature so the audience can follow the same order.

A group record is enough for everyone - Each pupil confirms their own part and help used.
