Model step 1

Show wide arms within your safe space. Say: Our first plan has wide moves.

Model step 2

Bring hands close. Say: The imagined space is smaller. Pause.

Model step 3

Ask: What could we try? Offer a small hand wave, then repeat it.

Model step 4

Hold a final small pose. Say: We changed the move. Our four beats show the new plan.

Now make your own

Choose your role. Try a short scene. Change one thing.

The adult model is an example. Your arts log must show your real choice.
