The den with a clear cue

The group point to a wide space. Their hands move close to show a small space. The director waits until all are ready, then points to the word Start. The group show a small den. Each still pose lasts three comfortable seconds.

What does the director check?

How does the cue help the group?

The den with a clear end

The group try the same three parts. A watcher cannot see the last pose. The group turn their hands towards the watcher and try again. The watcher sees a small roof. The story order stays the same.

What did the group change?

How could we check our end pose?

Make your own choice

I notice ___.

I could use ___ in my own scene because ___.

These are invented class models. They are not pupil work.
