Scheme outcome

Rehearse and refine the group performance.

Today I can

I can test one change from real feedback.

I can explain how the change affects the viewer.

I can agree my role, cue and next step for the show.

Words for this lesson

feedback: What a viewer saw and their useful comment.

refine: Make a chosen part clearer.

cue: A sign that tells a role when to act.

audience: The people who watch the performance.

Working safely

Use a made-up story. Keep your own space. Stop on the open hand. You can sit, stay silent or direct. You may share with just the adult.
