Drama support brief

Creative Arts · GROW · Spring 2 Week 5 · Monday 22 March 2027 · P6

Before the lesson

Agree space, stop cue and private sharing option. Use invented events. Never touch or move a pupil into a pose.

Focus

I do: Point to one clear cue or one real evidence item. Separate the teacher model from the pupil's own work.

We do: Ask each pupil to make or confirm a choice. If the hinge answer is uncertain, model one concrete contrast or evidence check before returning the decision.

Independent: Use the prompt ladder. Record actual help. Return the next choice to the pupil, and retain their own confirmed words.

Prompt ladder

Point to the instruction or place.

Ask a short question.

Rephrase the instruction.

Provide a scaffold or choice.

Model the first step only, then return the task.

Record and return

Record the help used and the learner's own choice. Read any dictation back. Return the next step to the learner.
