Words for our classroom work

White Standard sheet

Carry out a simple work-related task.

task

A job we want to finish.

set up

Put things where we need them.

check

Look to see if the work is ready.

quality

How well the work meets the check.

checklist

A list of steps we can check.

ready

Set for the job we want to do.

I can show the real work I did.

You can point or speak.
