# Maps data and community choices

Friday 19 March 2027 | P2 | 40 minutes | Year A

Humanities | GROW | Spring 2 Week 4 | HUM-GROW-S2-W04

Today we compare groups and show map and data evidence.

You may point, write, type, speak in private or direct a scribe. You may pass. Reading aloud is your choice.

## Route Independent

1. Keep your own map check, with UK, Japan and a key.

2. Present 1980 and 2025 UK mean values with years and units. Add one careful statement about what the data show.

3. Compare A and B with one shared aim, one different action and a link between an action and a stated value.

## My own finish

In your book, make one small report. Keep your own map check: locate UK and Japan, then add a key. Present the UK values for 1980 and 2025 with years and C units. Give one careful data statement. Compare Groups A and B: one shared aim, one different action and a link to a stated value.

My map shows ____. The UK mean was ____ C in ____ and ____ C in ____. Both groups ____. Group A ____, while Group B ____. One reason is ____.

## My check

I used the facts. I made my own choices. I gave a reason. I can show the help I used.

Use the agreed quiet signal for a pause. Stay with the adult in the usual place. Rejoin with one card check. A neutral shape task is ready.
