Beliefs and care for the world task

Pink supported print

Reflect on care for the world as a belief.

In your book, speak, point or ask for a scribe. Choose a route with an adult.

Supported route

1 Hear two short reason cards. Choose Christianity or Humanism. Match one reason to reporting the dripping tap. Point to who could benefit. Tell an adult one sentence to scribe, then choose a limit: a report needs follow-up or a report repairs the tap itself.

2 Some ____ may care because ____. Reporting the tap could ____. It still needs ____.

An adult can read one step at a time. Ask for two choices or a reread.

Words to help

Some ____ may care because ____.

You may pass, take an agreed quiet pause and return to one short task.

Independent route

1 In your book, choose one worldview. Explain its reason for caring, an action the invented club could take and a likely effect. Add one sentence about why they should check the result.

2 Write three or four short sentences. You may use the vocabulary mat.

Words to help

This belief or value could lead to ____, which may ____.

You may pass, take an agreed quiet pause and return to one short task.

Aspire route

1 Compare a Christian stewardship reason with a Humanist reason. Explain how both could support reporting the tap. Judge whether a reminder alone is enough. Suggest a safe way to check the action worked.

2 Write a short comparison in your book using because and however.

Words to help

Both may ____, but their reasons can differ because ____. A limit is ____.

You may pass, take an agreed quiet pause and return to one short task.
