Ethics for people and the planet response

White standard print

Investigate ethics of how we treat others and the planet.

I can speak, point, use my book or ask for a scribe.

My evidence

Choose an option for the invented club. Explain effects on people and resources, link a named worldview reason and state a fact to check. Use your book, speech, pointing with explanation or a scribe.

My response

_____

_____

Route used Supported / Independent / Aspire

I may hear the card again. I can ask for a quiet pause.
