Ethics for people and the planet task

White standard print

Investigate ethics of how we treat others and the planet.

In your book, speak, point or ask for a scribe. Choose a route with an adult.

Supported route

1 Hear options A and B. Choose one. Match a people effect and a waste effect to it. Hear one Christian, Sikh or Humanist reason card and choose the one you can link. Tell an adult one check the club still needs.

2 I choose ____. It may help people by ____ and reduce waste by ____. A ____ reason is ____. Check ____.

An adult can read one step at a time. Ask for two choices or a reread.

Words to help

I choose ____. It could help ____.

You may pass, take an agreed quiet pause and return to one short task.

Independent route

1 In your book, compare two options. Explain one effect on people and one on resources. Choose the stronger option using a named worldview reason. Say what should be checked before acting.

2 Write four or five short sentences using because and may.

Words to help

Some ____ may value ____. This supports ____ because ____. First check ____.

You may pass, take an agreed quiet pause and return to one short task.

Aspire route

1 Compare all three options. Use two named worldview reasons to justify a conditional judgement. Explain why saving resources should still include access for every learner. Identify a missing fact that could change the plan.

2 Write a short judgement with an alternative and a condition.

Words to help

Option ____ is stronger if ____. It considers ____ while ____. A missing fact that could change the plan is ____.

You may pass, take an agreed quiet pause and return to one short task.
