Exact scheme outcomes

Gather references & evidence.

Rights-at-work outcome.

Learning and evidence

Bring your actual work from the first three lessons. Today you will choose evidence, plan how to request a reference and answer one final invented workplace scenario. Missing work stays marked as missing. You do not have to rewrite the half-term, share personal employment experiences or contact anyone in this lesson. This is the last taught lesson: the term ends on Thursday 25 March and there is no Friday lesson in Week 5.

I can link an actual piece of my work to a claim and show a gap honestly.

I can identify a suitable referee role and explain why permission is needed.

I can use a workplace clue to choose and explain a safe next step.

Forty minutes

Minutes	Teaching
0–5	Agree a response mode and recall one useful idea.
5–13	Read the invented model; explain the key words; check understanding.
13–23	Work as reader and checker, swap roles, then answer the hinge privately.
23–35	Each learner gives their own response using a chosen route.
35–40	Review evidence, give one next step, keep the reply and save.

Access and help

Use voice, writing, pointing, a usual aid, typing or an exact scribe. Read back and correct. Plan in any language. Ask a trusted adult privately; pass, pause and return with support. No personal work or family story is needed.

Where this leads

Read workplace information, make a safe choice and explain the evidence for it. Staff confirm any link to the unit award.

Offer to the Communication portfolio. Spring 2 ends Thursday 25 March; there is no Friday lesson in Week 5.
