Weekly plan row

Thursday 11 March 2027 · Thursday P4 · 40 minutes · Year A

LAUNCH RSE · Spring 2 Week 3 · pair aged 14–16 · Resilience & Change

Exact outcome

Managing conflict & staying safe in relationships.

Learning and evidence

• Tell a safe disagreement from pressure or control in a made-up story.

• Explain a calm next step when both people feel safe and free to choose.

• Choose adult help when a person feels afraid or cannot say no freely.

Each learner records an individual response from invented third-person cases. Use the Evidence Sheet for work reference, chosen tier, access aids, actual prompts, one NS and own response.

Time	Learning
0–11	Arrival 4 min, starter 2 min, model and check 5 min.
11–28	Hinge and recheck 5 min; route practice 12 min.
28–40	Evidence 6 min; review 4 min; exit 2 min.

Resets at 15–16, 27–28 and 33–34 are included. Optional pair reader/checker roles swap. Print cases provide the cover fallback.

Access and care

Use words, pointing, drawing, typing or the usual communication aid. An adult may scribe the learner's exact words and read them back. Plan in any language. Record access aids separately from prompts that supplied content.

Fictional work, pass and supervised pause are valid. A character can tell a trusted adult or the safeguarding lead privately. If the first adult is away or does not help, try another trusted adult. If there is danger now, get urgent help. No one needs to prove a worry before asking for help.

Where this leads

This helps a learner respect choices, manage safe disagreements and seek adult support in learning, relationships and future work.
