Enterprise practical jobs

White standard edition

Enterprise: from garden to table.

Build the chain

1 Choose a card-moving, pointing, observer or recorder job.
2 Arrange the six stage cards and explain one link.
3 Keep adult checks before harvest or food use.
4 Add the group’s own words in a book or Chain Record.

A loop back to care can be sensible if a crop is not ready. The map is not permission to handle food today.

Locate an offer

Place the invented starter-plant pot near growing. Place supervised label/check help near care. Explain how it could help.

My first idea

My idea is ____ for ____ because ____.

Use a customer type, never a name. Use your book or tell the adult what to scribe.

Check our map

Does the order make sense?
Are adult checks clear?
Can we explain where the offer helps?

No eating, buying, selling or customer contact happens in this task. Keep each first idea for later planning; it may change. Return materials and clear the space.
