Enterprise planning knowledge

Pink supported edition

Plan a product/service to sell.

One offer

Product: something received.
Service: help or work done.

A useful need

Choose a customer type.
Say why the offer could help.

Resources

Think about materials, time, skills and adult help.
Write to check until the adult confirms them.

Enterprise planning knowledge continued

Pink supported edition

Invented model only

Product: starter-plant pot with care card.
Customer: a beginner grower.
Need: clear care instructions.

Service: help label and check plants.
Customer: someone needing clearer plant labels.
Need: safe help with an agreed task.

These are ideas, not real customers or sales.
Choose one offer. Your idea may change.
