Enterprise choices and planning jobs

Pink supported edition

Plan a product/service to sell.

Choose one offer

A product is something received.
A service is help or work done.

Invented product: starter-plant pot with care card.
Invented service: help label and check plants.

Try a mockup

Sketch or arrange a label and care card.
Use clean empty props or your book.
No real plant is promised for sale.

Pink supported edition

Read back the choice

One product or service.
One customer type and useful need.
Resources confirmed or to check.

My one line

We chose ____ for ____ because ____.

Finish

Return props and clear the table.
Wash hands after gardening props.
No sales, purchases or customer contacts.
Park materials and tell the adult before a pause.
