Enterprise choices and planning jobs

Pink supported edition

Plan a product/service to sell.

Plan one offer

Use the chosen idea or an invented choice card.
Name the customer type and useful need.

Sort the jobs

Put adult checks before dependent jobs.
Match resources to each job.
Choose role codes, not names.

Sketch or arrange a clean-prop mockup.
No real sales or customer contacts today.

Check the plan

One offer and one customer need.
Resources confirmed or to check.
Jobs in order with role codes.
A quality check for each job.
A backup for a missing role.
An adult decision still needed.

Read the plan back.
Agree it or ask for a change.
Do not pretend a check is complete.

My one line

Our plan is to offer ____ to ____. The first job is ____.

Use your book or tell the adult what to scribe.

Finish

Return props and clear the table.
Wash hands after gardening props.
Park materials and tell the adult before a pause.

A plan or mockup is not a completed product.
No purchase, sale or customer contact is claimed.
