Knowledge for making and checking

Pink supported edition

Produce & prepare the product.

Make the approved offer

Follow the agreed job order.
Use safe materials and role codes.
The adult confirms any actual plant and advice.

Check actual features

Readable label and accurate advice.
Clean secure assembly.
Suitable actual plant if included.

Knowledge for making and checking continued

Pink supported edition

Honest quality decisions

Pass: criterion met.
Rework: correct and check again.
Hold: separate and ask the adult.

Invented example only

An unclear label needs rework.
An uncertain plant identity needs a hold.

A pass on a part is not adult release.
Record parts, whole offers and mockups honestly.
The adult agrees safe storage and care.
