

Researching the Solar System

Today I can... ☐ I can find a fact on a class source card. ☐ I can name the card that supports my fact. ☐ I can fix a claim that the card does not support.

Feedback: ☐ VF ☐ WS ☐ I ☐ NS ☐ E ☐ R _____

Arrival

Choose the body that makes its own light: Sun, Earth or Moon.

My response

Starter

Think back. Say, point or write one answer for each question.

1. What shape is the Moon roughly?

2. Why do we get day and night?

3. What goes round Earth?

Researching the Solar System

Today I can... ☐ I can find a fact on a class source card. ☐ I can name the card that supports my fact. ☐ I can fix a claim that the card does not support.

Feedback: ☐ VF ☐ WS ☐ I ☐ NS ☐ E ☐ R _____

Talk-then-sort

Card A is matched to Sun is a star. Card B has a fact but no label. Find the missing source label for Earth goes round the Sun.

Claim: The Moon goes round Earth → card C says the same → cite card _____.

Choices: Card A · Card B · Card C

Card or step	My group or match
Sun is a star	
Earth orbits the Sun	
Moon orbits Earth	

Share two facts about the Solar System. Name the class card that supports each fact. Correct one claim if its card does not match.

Independent F

Point to one fact and its source card.

Card ____ says ____.

My response

Independent M

Share two facts and name each matching card.

My fact is ____; card ____ supports it.

My response

Researching the Solar System

Today I can... ☐ I can find a fact on a class source card. ☐ I can name the card that supports my fact. ☐ I can fix a claim that the card does not support.

Feedback: ☐ VF ☐ WS ☐ I ☐ NS ☐ E ☐ R _____

Independent H

Use two cards to explain Earth's place, then repair a false label.

Card ____ supports ____, but it cannot show ____ because ____.

My response

Go deeper

A poster calls the Moon a planet. Use two class cards to repair the label and name both sources.

My response

Two cards disagree about the Moon. Choose the supported claim, then name a reliable source for a further check.

My response

Exit

Say one checked fact and point to the matching class card. Say which source label you fixed.

My exit response

? Read it back: check a source and share a fact about the Solar System.

My feedback was... say what changed. Next I need to... name a fix.

Word help

Word	Meaning	Example	My language
Solar System	the Sun and the objects that move around it	Earth is part of our Solar System.	
planet	a large, nearly round body that moves around a star	Earth is a planet that moves around the Sun.	
star	a hot body in space that makes its own light	The Sun is a star.	
source	where a fact or idea comes from	Card B is my source for Earth's orbit.
