Words for scoring events

Year A | Autumn 2 · Week 2 | 9 November 2026

event
A trigger that runs a rule in the game.

touching
A check for contact between two sprites.

change
Add to or take away from a variable value.

set
Fix a variable to one exact value.

pickup
An item the player collects to gain points.

hazard
An obstacle that adds a hit and sends the player back.

Use one word to explain how your pickup score goes up.
