## Purpose and success checks

How can our community make room for everyone?

I can explain that rights belong to everyone. I can spot a barrier to belonging. I can propose a respectful change and listen.

LAUNCH-PSHE-W6-E1: A community-inclusion proposal naming a barrier, rights/respect reason, person to consult, actual audience reply and a revised or confirmed next step.

## Before pupils arrive

Print cases. Set an adult or willing peer audience; allow a quiet one-to-one route. Have paper and usual communication aids. Use the owner calendar date, not an invented lesson slot.

Offer processing time, a quiet start and the usual communication support. Capture each learner’s own work. Read the Staff Answers before teaching.

## Calendar and continuity

Monday 7–Friday 11 December 2026. One lesson per week on this line. Human Rights Day is 10 December, within Week 6 (7–11 December). The source C184 line already matches the owner calendar; no week move is needed. No specific teaching day or annual campaign theme is inferred.

Staff enter the actual teaching date above. Continue the accepted prior-week evidence and support routines.

## Hinge and reteach

B. Human rights belong to everyone; they are not rewards for good behaviour. A setting can address harmful behaviour fairly while treating the person with dignity and respecting others' rights. Reteach with a calm response to an unsafe action, without denying the person a voice or basic care.

## Access and practice

Supported: choose a change for A or B. Independent: explain how it helps someone join. Aspire: compare two views and a fair next step.

Model an accessible way to give an idea. Pupils choose one barrier and proposal, share with a real audience in their chosen mode, hear the reply and record what they would change or keep.

Begin evidence during practice and finish during capture. Accept speech, pointing, drawing, writing or usual AAC. Scribe exact words without supplying the assessed reason. No forced pair work or public performance.

# Safe teaching evidence and learner voice

## Boundaries

Use fictional settings. Do not require pupils to disclose disability, belief, identity or personal rights concerns. Avoid debates about whether a group deserves rights. Refer real concerns to staff and local procedures.

## Assessment and feedback

Credit a concrete barrier and a feasible change that listens to the affected person. Accept plain-word links to dignity, privacy, education or participation without article/criterion numbers. Record the actual classroom audience and response; a proposal is not a claim that a real school policy changed.

Retain actual work, response mode and support. Use VF · WS · I · NS+ · // (self-edit) · ? (read back) · R (responded) · E (evidence in the school's evidence record). R requires Voice, Audience, an NS+ prompt and the learner’s response in the same colour, on the same page or usual mode. Record E only after evidence is banked. Blank forms and adult models are not completed learner evidence.

## Lundy moments

Space: calm, accessible participation. Voice: a choice, reason or help request. Audience: the adult listens or reads and replies. Influence: record the support or next-step change made in response.

## Speaking listening and writing

Present a proposal, listen to another view and respond with a reason. The receiving teacher maps authentic responses to their own portfolio; no communication criteria are assigned here.
