Researching the Solar System

Today I can… ☐ I can find a fact on a class source card. ☐ I can name the card that supports my fact. ☐ I can fix a claim that the card does not support.

Word page

Solar System

the Sun and the objects that move around it

Earth is part of our Solar System.

planet

a large, nearly round body that moves around a star

Earth is a planet that moves around the Sun.

star

a hot body in space that makes its own light

The Sun is a star.

source

where a fact or idea comes from

Card B is my source for Earth’s orbit.
