Practical jobs and recording

Pink supported edition

Horticulture: soil, seeds & planting.

Get ready

Use the checked small samples and tray.
Cover cuts. Use gloves if needed.

Look

Notice colour, lumps and small pieces.

Feel or observe

Gently rub a damp sample, use a blunt tool or watch the adult.
Do not sniff or blow it.

Practical jobs and recording continued

Pink supported edition

Choose

Compare with the prepared growing medium.
Choose the adult-approved medium for the pea tray.

Record in your book

I chose ____ for sowing because ____.

Gritty / smooth / crumbly / sticky
Dry / damp / wet

Finish

Park tools. Clear the surface.
Wash hands with soap and water.
You may ask for a quiet pause.
