Tool safety and hygiene card

Pink supported edition

Horticulture: soil, seeds & planting.

Before you start

Use the adult-checked materials.
Cover cuts. Use suitable gloves.
Choose a sight-only role if you want.

Tools and water

Keep tools low over the tray.
Pass handles first. Park tools before moving.
Tell an adult about spills.

Tool safety and hygiene card continued

Pink supported edition

Keep material away from your face

Do not taste, sniff or blow the material.
Avoid dust. Keep food and drink away.

Finish

Return tools and clear the surface.
Wash hands with soap and water.
Wash even if you wore gloves.

You can ask for a quiet pause.
Park the tool and tell the adult first.
