Wednesday 27 January 2027 · P1 · 40 minutes · Year A

RSHE · BUILD · three to four learners · Spring 1 Week 4 · 25–29 January

Theme Resilience & Change. Formative. Six-week term; Week 6 assessing.

Exact outcome

Talk about a worry with a trusted adult (Time to Talk).

Learning and evidence

Choose a possible trusted adult by role and signs of safe help. Learn three openers and rehearse the invented class-work worry with a TA. Keep the three-opener card and private role-type card. Record only fictional-scene choice, opener, actual initiation/mode, next safe step, access and prompts. A pass stays unobserved.

Forty minutes

0–12	Story, roles, safe help, TA model/check and reset.
12–25	Openers, private hinge, plan a story turn and reset.
25–40	TA turns, private role card, next step/reply and private exit.

Access and private help

All seven banks/starters/models remain on all routes. Usual aids, pointing or exact TA voicing may be used; record the mode and content prompts. Use the story only. Pass, observer, pause and supported return are valid. Plan in any language. A pupil unable to choose an adult is supported privately, not pressed. Do not collect or photograph private cards. Any disclosure follows the school route to the safeguarding lead; no probing or secrecy promise.

Where this leads
