Science · LAUNCH · Autumn 2 · Week 4 · SCI-LAUNCH-A2-W04-L2

TA Brief

I can zoom from a chromosome to a gene and a base, and explain how the three levels fit together.

At check-out, record E for … against the pupil's target.

A chromosome contains packaged DNA. A gene is a region of that DNA, with a sequence of bases.

At the zoom, hear one reason for the label. Check that the learner distinguishes a whole package, a region and one unit.

Wait, point and rephrase before giving a content cue. Record actual I · S · C beside the task. Use the agreed quiet pause and return to one step.

Feedback codes VF · WS · I · NS + … · E · R · // · ?
Give one feedback code. My response is the pupil's improvement to the work.
Adult checks the response and ticks it, or writes R (Pupil responded to feedback).

Exit pupil voice
What helped you most today, or what would you change next time?
Accept a pointed, spoken, signed, drawn, written or chosen response. A pupil may pass.
