# My strengths and next step

Use a made-up job card. Work in your book, point, use your aid, or use Type instead. An adult can read or write your words.

**Two choices**
Choose B stockroom or C garden. Try the short task on your card. Use the plan and your usual aid. This is a class task, not a real job check.

**Make your checklist**
List the four needs on the job card. Use S Shown here, ? Check or N Next step. Keep the words with the marks. Do not guess about facts you do not know.

**Find one strength**
Which need did you show in this task? Keep your work as a clue. “I can ... . My clue is ... .” An adult can help you check it.

**Choose one next step**
Pick one thing to check or practise. “Next lesson, I will ... with ... . I will check ... .” Help and practice can keep a route open.

**Our model A**
A asked for help with a word. This shows asking for help. A will try a three-step plan with a word list and a trusted adult next lesson. They will check all three steps.

**Words and help**
need · skill · clue · check · help · next step

Use a trusted adult or the school’s help route. Point to HELP or ask for a private talk. You may pass or pause. Keep real grades, attendance and private worries out of this work.
