

# What is a career? My journey so far

How is a career bigger than one job?

I can explain what a job and a career are and say one thing I might like to do in the future.

**Use your own safe examples or the fictional case. Share only what you choose.**

# Words that help

## JOB

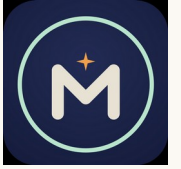

---

A particular work role a person does.

## CAREER

---

A journey through learning, work and life experiences.

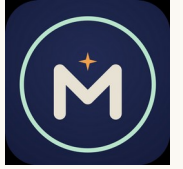

# Start here

A baker is a job. Is a college course a job too?

Can learning count in a career journey?

**Choose: job / learning / not sure.**

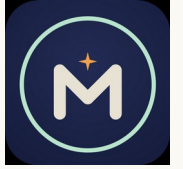

# A journey has many parts

A job is one particular work role.

A career can include learning, different jobs, breaks and changes.

An idea for the future is a possibility, not a promise.

**Does a career have to stay the same?**

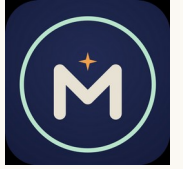

# Meet Casey — a fictional journey

Past: Casey tried drawing maps in class.

Now: Casey practises using a design program.

Next possibility: find out how people design signs.

**Name one experience and one possible next step.**

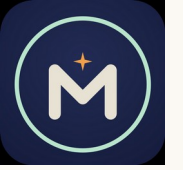

# Sort together

Cards: electrician; college course; club organiser.

Use job / learning or activity / other life role.

Some cards could fit more than one heading.

**Where might club organiser go? Explain.**

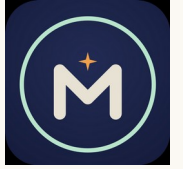

# One job or a whole journey?

A: “A career means one job forever.”

B: “A career includes experiences and may change.”

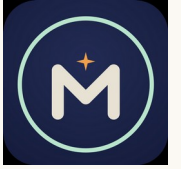

**Choose the clearer explanation.**

## Your three tasks

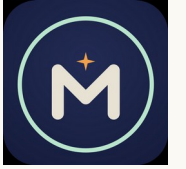

1. Sort six cards: Write a heading beside each card; explain one choice.
2. Make a three-step journey: Use Casey or a safe example of your own.
- 3. Record a starting point: Choose clear idea / several ideas / not sure yet, then finish one sentence.**

# Your three tasks — continued

Use the worksheet and resource cards. Work one task at a time.

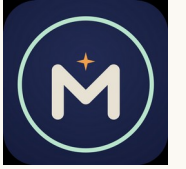

# Check and improve

I can sort jobs and other experiences.

I can explain that a career develops over time.

I can name a possibility or something I want to find out.

**Choose one part to make clearer. Which detail supports your answer?**

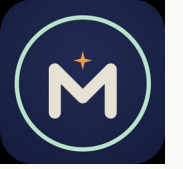

# Save your evidence

Baseline career-readiness response; aspiration card.

Mark the work: my own example / fictional case analysis.

Keep one question open for your next lesson.

**Which piece shows today's learning?**

# Exit check
