Teacher answers.

Starter · all routes.

1. What do people do to welcome Rama and Sita home at the end of the story?

Cue · Home · lamps.

Answer 1 · They light rows of lamps to welcome them home.

2. Why do we use battery lights in class?

Answer 2 · Battery lights are safe and have no real flame.

We do decision reveal.

B. A battery light is safe and neat work shows care.

Card answers and next steps.

Card.	Answer and next step.
A.	Safe choice. No real flame in class.
B.	Respectful choice. Neat work shows care.
C.	Respectful choice. Care for other people's work.
D.	Safe choice. Links to light in celebrations.
E.	Clear boundary. Nobody must share a belief.
F.	Both care note. Do not assume all do the same.

Made by Matt

Mark scheme.

Today I can.

- I can spot a safe class task.
- I can make a card or pattern with care.
- I can say how I showed care.

Route.	Accept at Exit.
Supported.	Points to the battery light and their chosen card or pattern.
Independent.	Battery lights are safe with no flame; names one respectful action.
Aspire challenge: choose.	Links the lamp or pattern to welcome and explains that class craft is learning, not worship.
Choice.	Shows their completed piece and one care rule in their chosen mode.

Pupil voice accepted answer.

What feedback did you get, and what did you change?

“The adult reminded me to keep the four shapes neat. I coloured the outer ring with care.”

What helped you most today, or what would you change next time?

Accept the pupil’s own example or a pass. Record their own words and actual support.

Keep the completed card or pattern and the book note. Record how the pupil showed care and actual support.
