Belief and identity assessment

RE · GROW · Autumn 2 · Week 7 · GROW_RE_A2_W07

Staff card

Staff print card

3 November 2026

Invite a response. Give thinking time. The learner may pass.

Arrival regulation check: Green · Ready, Amber · Help, Red · Pause. Say the words as well as showing the colours. Invite a response and allow a pass.

Code	Meaning
VF	Verbal feedback
WS	Worked with support
I	Independent
NS + …	Next step
E	Evidence captured
R	Pupil responded to feedback
//	Self-edit point
?	Read this back to me

At check-out, record E for … against the pupil's target.

Mark R only after the pupil has responded to feedback with an adult.

Return-to-learning route for this lesson: after a pause, rejoin Supported with one question and the point, evidence, explain frame.

Soft instrumental music for transitions if the class plan says so

Sound is off by default.

Pupils edit in the same colour, on the same page.

Made by Matt

RE · GROW · Autumn 2 · Week 7 · GROW_RE_A2_W07

P17 · SLT planning and evaluation

Show understanding of beliefs, festivals, belonging and respect using evidence from the term.

Stage	Minutes
Arrival including opening	4
Starter	3
I do	6
We do shared investigation	7
We do decision checkpoint	2
You do	12
Review and improve	3
Exit ticket	3

Planned adaptations

Need	Plan
Read or sequence	Use one card and one short instruction.
Communicate	Allow a private point, sign, spoken answer or exact scribing.
Pause and return	Return-to-learning route for this lesson: after a pause, rejoin Supported with one question and the point, evidence, explain frame.
Access the drawing	Use the larger view or describe the marked features.

Catch-up embedded this lesson: revisit the values example in Starter and match it to a question.

If behind

Keep one model clue, one shared check, the checkpoint, a book response and the exit. Shorten repeated practice.

Staff evaluation

Evidence, adaptation and next teaching move

Made by Matt

P18 · Individual target opportunities

Use the learner’s actual agreed target.

Opportunity	Evidence	Actual support
Find a clue	Select a card detail.	_____
Explain	Link evidence to the answer.	_____
Check	Keep or revise one detail.	_____
Regulate	Use a pause or a private response.	_____

The teacher models one step. A second adult, if available, reads a card or records the exact response. With one adult, set out the card and return for the pupil’s reason.

Give time, point to a clue, ask a short question, then offer a frame or choice. Invite a response. The learner may pass.

Made by Matt

RE · GROW · Autumn 2 · Week 7 · GROW_RE_A2_W07

First lesson back · once-only read

Check what pupils can show from the previous lesson and revisit it within the planned stage.

Use the supplied examples. Invite a response, give thinking time and allow a pass. Use only the learner’s own evidence.

Made by Matt

Teacher answers · Arrival

Arrival · Supported

Point to the picture that matches the top one.

The lower left picture matches the top one.

Arrival · Supported

Which meaning fits evidence?

An example or fact that supports an answer

Arrival · Supported

What makes evidence strong?

It fits the question, it is accurate and you can explain it.

Arrival · Supported

Is a model answer the only correct answer?

No. A different answer with good evidence is just as strong.

Arrival · Independent

Point to the picture that matches the top one.

The lower left picture matches the top one.

Arrival · Independent

Which meaning fits evidence?

An example or fact that supports an answer

Made by Matt

Arrival · Independent

What makes evidence strong?

It fits the question, it is accurate and you can explain it.

Arrival · Independent

Is a model answer the only correct answer?

No. A different answer with good evidence is just as strong.

Arrival · Aspire

Point to the picture that matches the top one.

The lower left picture matches the top one.

Arrival · Aspire

Use evidence in an accurate example.

Evidence is a fact or example that supports an answer. In Card C, the lit diyas are evidence that light is used at Diwali.

Arrival · Aspire

What makes evidence strong? Which detail supports your answer?

It fits the question, it is accurate and you can explain it. The lit diyas in Card C fit the festival question on Card B and help explain what light can mean at Diwali.

Arrival · Aspire

Is a model answer the only correct answer?

No. A different answer with good evidence is just as strong.

Made by Matt

Teacher answers · Starter

Starter

What do you notice in the drawing?

Point is linked to answer the question.

Starter

What makes evidence strong?

It fits the question, is accurate and can be explained.

Starter

What makes evidence strong?

It fits the question, is accurate and can be explained.

Starter

Is a model answer the only correct answer?

No. A different answer can be strong if the evidence fits.

I do · 1

What makes evidence strong?

It fits the question, is accurate and can be explained.

I do · 1

Which source helps us begin?

Use card A. A row of lit diyas can support an answer about festivals and belief.

Made by Matt

I do · 2

Which detail in the card can help with the question?

A row of lit diyas can support an answer about festivals and belief.

I do · 2

What does this clue help us say?

Explain how the detail supports the point.

I do · 3

How could I explain the link?

For many Hindus, lamps at Diwali show good overcoming evil.

I do · 3

How can I start my answer?

The source shows ____. This helps me explain ____.

I do · 4

Is a model answer the only correct answer?

No. A different answer can be strong if the evidence fits.

I do · 4

What is one limit to keep in mind?

Use the model to practise before making your own response.

Made by Matt

Teacher answers · We do

We do

Which source fits a question about belief and festivals?

A row of lit diyas.

We do

Which detail fits a question about community and belonging?

The Sikh volunteer serves langar for anyone.

We do

Which detail fits a question about respect for values?

The pupil who stays wishes the other pupil a good family meal.

We do

Which clue will you use?

A row of lit diyas can support an answer about festivals and belief.

We do

What is one limit?

Use the model to practise before making your own response.

We do decision checkpoint

Which choice fits the evidence?

A row of lit diyas.

Made by Matt

We do decision checkpoint

What evidence helps you decide?

The source can support an explanation of what light means at Diwali.

Made by Matt

Teacher answers · You do

You do · Supported

Check the detail you used.

A row of lit diyas can support an answer about festivals and belief.

You do · Supported

Check your reason or limit.

Explain how the detail supports the point. Use the model to practise before making your own response.

You do · Independent

Check the detail you used.

A row of lit diyas can support an answer about festivals and belief.

You do · Independent

Check your reason or limit.

Explain how the detail supports the point. Use the model to practise before making your own response.

You do · Aspire

Check the detail you used.

A row of lit diyas can support an answer about festivals and belief.

You do · Aspire

Check your reason or limit.

Explain how the detail supports the point. Use the model to practise before making your own response.

Made by Matt

You do · Choice

Check the detail you used.

A row of lit diyas can support an answer about festivals and belief.

You do · Choice

Check your reason or limit.

Explain how the detail supports the point. Use the model to practise before making your own response.

Made by Matt

Review and improve

Is my detail accurate?

A row of lit diyas can support an answer about festivals and belief.

Review and improve

Does my reason follow from the source?

Explain how the detail supports the point.

Review and improve

What could I check or change?

Use the model to practise before making your own response. Edit in the same colour, on the same page.

Exit · Supported

What makes evidence strong?

It fits the question, is accurate and can be explained.

Exit · Supported

Is a model answer the only correct answer?

No. A different answer can be strong if the evidence fits.

Exit · Independent

What makes evidence strong?

It fits the question, is accurate and can be explained.

Made by Matt

Exit · Independent

Is a model answer the only correct answer?

No. A different answer can be strong if the evidence fits.

Exit · Aspire

What makes evidence strong? Use one clue.

It fits the question, is accurate and can be explained. A row of lit diyas can support an answer about festivals and belief.

Exit · Aspire

Is a model answer the only correct answer?

No. A different answer can be strong if the evidence fits. Use the model to practise before making your own response.

Exit · Choice

Point, draw, sign or tell an adult. What makes evidence strong?

It fits the question, is accurate and can be explained.

Exit · Choice

Is a model answer the only correct answer?

No. A different answer can be strong if the evidence fits.

RE · GROW · Autumn 2 · Week 7 · GROW_RE_A2_W07

TA Brief

Show understanding of beliefs, festivals, belonging and respect using evidence from the term.

Arrival regulation check: Green · Ready, Amber · Help, Red · Pause. Say the words as well as showing the colours. Invite a response and allow a pass.

Use the supplied examples. Invite a response, give thinking time and allow a pass. Use only the learner’s own evidence.

Return-to-learning route for this lesson: after a pause, rejoin Supported with one question and the point, evidence, explain frame.

Optional: show one evidence and explanation to an adult. Hear one piece of feedback. Reply with a change, a reason to keep it or a request for help.

Use one route. Record only the pupil’s own response and the support given. Next lesson: The next belief and identity enquiry.

At check-out, record E for … against the pupil's target.

Made by Matt

RE · GROW · Autumn 2 · Week 7 · GROW_RE_A2_W07

Teaching script · Arrival including opening

Use one Arrival route. Let pupils match the picture before reading the other prompts. Give time to think and allow a pass. Arrival regulation check: Green · Ready, Amber · Help, Red · Pause. Say the words as well as showing the colours. Invite a response and allow a pass.

Made by Matt

Teaching script · Starter

Use the drawing to ask: What do you notice in the drawing? What makes evidence strong?
Catch-up embedded this lesson: revisit the values example in Starter and match it to a question.

Catch-up embedded this lesson: revisit the values example in Starter and match it to a question.

Made by Matt

Teaching script · I do

Ask What makes evidence strong? Point to card A. Think aloud: It fits the question, is accurate and can be explained. A row of lit diyas can support an answer about festivals and belief. Check: Is a model answer the only correct answer? No. A different answer can be strong if the evidence fits.

Made by Matt

RE · GROW · Autumn 2 · Week 7 · GROW_RE_A2_W07

Teaching script · We do shared investigation

Match each piece of evidence to the question it best supports. Complete one supported answer together. Take a turn to suggest a match, then check the evidence. Ask for a clue. A row of lit diyas.

Made by Matt

RE · GROW · Autumn 2 · Week 7 · GROW_RE_A2_W07

Teaching script · We do decision checkpoint

Offer a private choice. Which source fits the question about belief and festivals? Reveal: A row of lit diyas. The source can support an explanation of what light means at Diwali. Optional: show one evidence and explanation to an adult. Hear one piece of feedback. Reply with a change, a reason to keep it or a request for help. Mark R only after the pupil has responded to feedback with an adult.

Made by Matt

RE · GROW · Autumn 2 · Week 7 · GROW_RE_A2_W07

Teaching script · You do

Select one route. Start in your book. Answer each question with a point. Retain the learner’s own evidence and explanation and actual support used. Return-to-learning route for this lesson: after a pause, rejoin Supported with one question and the point, evidence, explain frame.

Made by Matt

RE · GROW · Autumn 2 · Week 7 · GROW_RE_A2_W07

Teaching script · Review and improve

Check one evidence detail. Explain how the detail supports the point. Ask for one improvement or reason to keep the detail.

Made by Matt

Teaching script · Exit ticket

Use the two exit questions. What makes evidence strong? Is a model answer the only correct answer? Accept accurate equivalents and plan the next prompt. At check-out, record E for … against the pupil's target.

Explain one idea in your own words.

Check a source. Show what it says about your idea.

What helped you most today, or what would you change next time?

Made by Matt
