Careers · BUILD · up to five learners · Spring 1 Week 1 · 4–8 January

Theme: Resilience & Change. Formative. Six weeks; Week 6 assessing.

Weekly outcome

Students understand that career journeys are not always straight and that people may change jobs or retrain.

Exact lesson outcome

I can put a simple career story in order and identify where someone adapted to change.

Forty minutes

5 arrival/retrieval + 8 I Do + 10 We Do + 12 You Do + 5 review/exit. Pre-teach words. Model A; sort B; sequence C and spot the new learning. Each learner chooses one coping strategy. Change is never failure.

Choice and access

Whole set or two cards at a time; pictures and short captions. Book, typing, aid or exact scribe. Word bank, model and frames remain. No cold calling or personal-disclosure prompts. Private trusted adult/school help route, pass and supported pause.

Assessment evidence

Career-story sequence / resilience note.

Keep actual order, adaptation and coping step, access and prompts, one NS and reply. Record partial evidence honestly. Add to Careers Portfolio; offer to the Communication portfolio.

Where this leads

This helps me see that work plans can change and ask for help with a next step.
