Tuesday 12 January 2027 · P3 · 40 minutes · Year A

Careers · BUILD · up to five learners · Spring 1 Week 2 · 11–15 January

Theme: Resilience & Change. Formative. Six weeks; Week 6 assessing.

## Focus
What can I do after school?

## Weekly outcome
Students recognise the main post-16 routes available.

## Exact lesson outcome
I can name at least three next-step options: college/sixth form, apprenticeship/training and employment with training/support.

## Forty minutes
5 arrival/retrieval + 8 I Do + 10 We Do + 12 You Do + 5 review/exit. Teach route names with icons. Model A, compare C and D, discuss missing information in F. Name all three groups in the options grid; match B and E. Optional private choice check.

## Choice and access
Whole grid or one row at a time with two labels. Keep model, icons, words and frames. Book, pointing, typing, aid or exact scribe. No cold calling or forced personal plans. Private trusted adult/help route; pass, pause and return.

## Assessment evidence
Post-16 options grid.

Record three different groups, example matches, actual help and first response, one NS and reply. Keep partial evidence. Do not mark a preference. Add to Careers Portfolio; offer to the Communication portfolio.

## Where this leads
This helps me name options after school and ask what I need to find out next.
