Card 4 Clues from earlier work

Made-up recap examples. Your own earlier work comes first. These clues do not prove you completed an earlier task.

Week	Example clue
1	Packed boxes. The role changed. Learned a new task with help. Change need not mean failure.
2	College or sixth form; apprenticeship or training; work with training or support.
3	An apprenticeship has paid work and training. One entry need may still need a check.
4	A made-up learner asked for help with a word. A three-step plan still needed practice.
5	In a staff practice talk, a college type offered word-card help. Travel stayed not known yet.
6	Use a clue to make two routes and one next action.

Keep evidence honest
If a page or talk is missing, mark it not yet seen or pending. Keep practice talks separate from real talks. Record new work with its own date.

Help in private
Use a trusted adult or the school’s help route. Point to HELP. You may pass, pause and return with help.
