

Knowledge Organiser (LAUNCH ASDAN W5): Deliver the Activity and Gather Evidence

LAUNCH · ASDAN Studio · Personal Effectiveness · Banks: ASDAN PEQ Entry 3 — Communication (ComSkE3 · ComSk1 · ComSk2 routes)

Key Word	Definition
DELIVER	Give or share your activity to a real audience.
MINIMUM	The least the unit accepts at Entry 3 — 2 minutes spoken, 5 minutes of discussion, or 100 words; at Level 1, 3 minutes, 8 minutes or 250 words.
WITNESS STATEMENT	A signed note naming what you did, at what level.
USE ACROSS WEEKS	Evidence that the plan ran over time, not one lesson.

Key Facts

- Delivering the plan is the ‘use’ part of the unit.
- ComSkE3 minimum: 2 minutes spoken OR 5 minutes of discussion OR 100 words written, and two audience questions prepared in the plan; at Level 1, 3 minutes OR 8 minutes OR 250 words and four questions; group of at least three.
- Answer at least two audience questions to show two-way communication — our lesson target (your plan already holds four prepared questions).
- Evidence must be dated, specific and witnessed.

This week’s spark

Do it for real, and keep the proof.

ASDAN evidence

Documentarian photo + annotation + witness tick — ASDAN PEQ Entry 3 — Communication skills (ComSkE3 · ComSk1 · ComSk2 routes): delivering the activity and gathering evidence.

Arrival Task

1) Why does answering audience questions strengthen your evidence?

2) What makes evidence usable at moderation?

3) How do you show the plan was used across weeks, not one lesson?

Today at a Glance

Key Question: How do I deliver my activity — and capture proof that meets the standard?

We Do 1: Wordsearch — delivery and evidence

DELIVER, AUDIENCE, QUESTION, RESPOND, WITNESS, ANNOTATE, DATED, MINIMUM

We Do 2: Match the Evidence to Why It Counts

Draw lines to match:

3-MIN TALK · 250-WORD TEXT · TWO QUESTIONS · WITNESS NOTE · DATED PHOTO · WEEKLY LOG

Meets the spoken minimum for the unit · Meets the written minimum for the unit · Shows real, two-way communication · Names exactly what YOU did, at what level · Makes the proof checkable and time-stamped · Shows the plan was used across the weeks

Scaffolding – Stretch

Stretch prompts

How did you handle an unplanned question? How does your evidence show use across the weeks?

Independent Work – Stretch

Task: Deliver your activity, respond to unplanned questions, and describe how your plan was used across the weeks in your evidence.

Stretch (Level 1): respond confidently to unplanned audience questions — a Level 1 evidence standard.

Exit Ticket – Stretch

1) Which was harder: delivering, or answering questions? Give reasons.

2) Why does a witness statement count more than a photo alone?

3) Describe how your plan was used across the weeks, not just today.

1 · What I actually saw this candidate do

Name the observable action, not the worksheet. Write what a stranger would have seen from the doorway.

2 · Level the candidate worked at — ring ONE

SUPPORTED	STANDARD	STRETCH
Deliver a short talk or share your text to a small, safe audience, and collect a photo and witness note with an adult.	Deliver your communication activity to your audience, take two questions, and gather dated evidence that meets the minimum.	Deliver your activity, respond to unplanned questions, and describe how your plan was used across the weeks in your evidence.

4 · Assessor declaration

I confirm the work described above was produced by the named candidate, and that the level ringed reflects the support actually given on the day.

Level this evidence banks at — tick ONE: ☐ Entry 3 ☐ Level 1 ☐ Level 2

A learner's evidence for a skill banks at ONE level only — Entry 3, Level 1 or Level 2, never more than one (barred combinations, spec v1.2 §6.5). Supported and Standard evidence Entry 3; Stretch evidences Level 1; the staff-directed Level 2 route evidences Level 2.

Staff — what the unit requires at EACH level (spec v1.2, Oct 2025)

Supported and Standard evidence ComSkE3; Stretch evidences ComSk1. Know: at least 3 ways of communicating at both levels; at least 3 components of effective communication at E3 and 4 at L1; at least 2 difficulties at E3 and 3 at L1. Plan: SMART; at least 2 questions the audience could ask at E3 and 4 at L1, with responses, written into the plan. Use the plan — ONE activity only: at E3 a presentation of at least 2 minutes, or a discussion of at least 5 minutes, or a written text of at least 100 words; at L1 that becomes 3 minutes, 8 minutes or 250 words. Any group activity needs at least 3 members at either level. Review: at E3 a positive outcome and an area of further development; at L1 at least 2 of each (a learner with no difficulties may say so). There is no 10-hour plan-use requirement on Communication — that gate sits on the other five skills. This lesson sequence uses the talk-or-text routes; the discussion route is equally valid if a pupil chooses it.

Lundy Loop — this lesson

Space → Voice → Audience → Influence. The adult’s first job is Space: regulate before you educate.

Space	The board tracks progress, never rankings — ‘pass’ is always allowed, and a smaller audience is fine.
Voice	Say who you delivered to and how it felt. Your words.
Audience	Your delivery is yours — the board shows only the headline you choose.
Influence	What the room reports helps shape how we support delivery next.

Closing the loop: this one ends on paper — your own hand, or your words scribed by an adult. Pass is always allowed.
