# Beliefs in hard times response

White standard edition

Explore how beliefs help people cope with change and hardship.

## A short written or scribed response

Use your book. Choose two worldviews and write two or three short sentences. An adult may scribe your own words.

## A frame to help

Some ____ may ____, which could help them ____.
Some ____ may ____, which could help them ____.
Both examples ____. One difference is ____.

## Check your response

Have I given an example from two worldviews?
Have I explained how support may help?
Have I shown a similarity or difference?

You may hear a card again, point to helpful phrases or use a scribe. These examples vary between people.
