Comparing support task

White standard edition

Explore how beliefs help people cope with change and hardship.

Theme Resilience & Change

An invented situation

A familiar routine changes. A person feels unsure. This is an invented example about no real person.

Your task

1 Listen to the three worldview cards.
2 Choose two cards. Discuss one support example from each.
3 Write two or three short sentences in your book, or tell an adult what to scribe.

Our talk frame

Some ____ may ____. This could help them ____.
Both examples include ____. One difference is ____.

Your response

Give an example from each of two worldviews. Explain how support may help. Include one similarity or difference.

You may use the Support Cards. You do not need to share personal beliefs or experiences.
