My short comparison paragraph

White standard edition

Compare how two worldviews respond to difficulty.

Check your grid

Have I compared understanding difficulty?
Have I compared helpful actions?
Have I compared sources of support?

Write one short paragraph

Both examples include ____.
One difference is ____.
Support may help by ____.

Use three or four short connected sentences in your book or tell an adult what to scribe. Name both worldviews and support your comparison with details from the cards.

Check your paragraph

Have I shown one similarity and one difference?
Does my comparison fit the cards?
Have I used some, may or in this example?

You do not need to state or defend a personal belief.
