

My place, the UK and the wider world · Pupil resources

Supported arrival · choose one route

Point, speak, sign, draw, write or direct an adult. An adult may read or scribe your exact words. Choose one route; do not complete all three.

1. Map purpose

Does a map help show places or tell the time?

Help: Think about finding a place.

2. Country

Choose a country: England or Europe.

Help: Europe is a continent.

3. Continent

Choose a continent: Europe or Middlesbrough.

Help: Middlesbrough is a town.

4. Local detail

Which view could show a school gate: a local plan or a world map?

Help: Look for the view of a smaller area.

Standard arrival · choose one route

Point, speak, sign, draw, write or direct an adult. An adult may read or scribe your exact words. Choose one route; do not complete all three.

1. Locate

What does locate mean when reading a map?

Help: Think find and show.

2. Country and continent

Is the UK a country or a continent?

Help: Europe is the continent containing the UK.

3. Direction

What does north-east combine?

Help: Use the two words in the direction.

4. Scale choice

Why might a world map be unhelpful for finding a school entrance?

Help: Think about how much local detail fits.

Stretch arrival · choose one route

Point, speak, sign, draw, write or direct an adult. An adult may read or scribe your exact words. Choose one route; do not complete all three.

1. Different views

Why could two maps of the same place look different?

Help: Consider area shown, purpose and detail.

2. Parts of the UK

Name the four countries of the UK.

Help: England is one; Northern Ireland is another.

3. Misconception

Correct: “Europe is another name for the UK.”

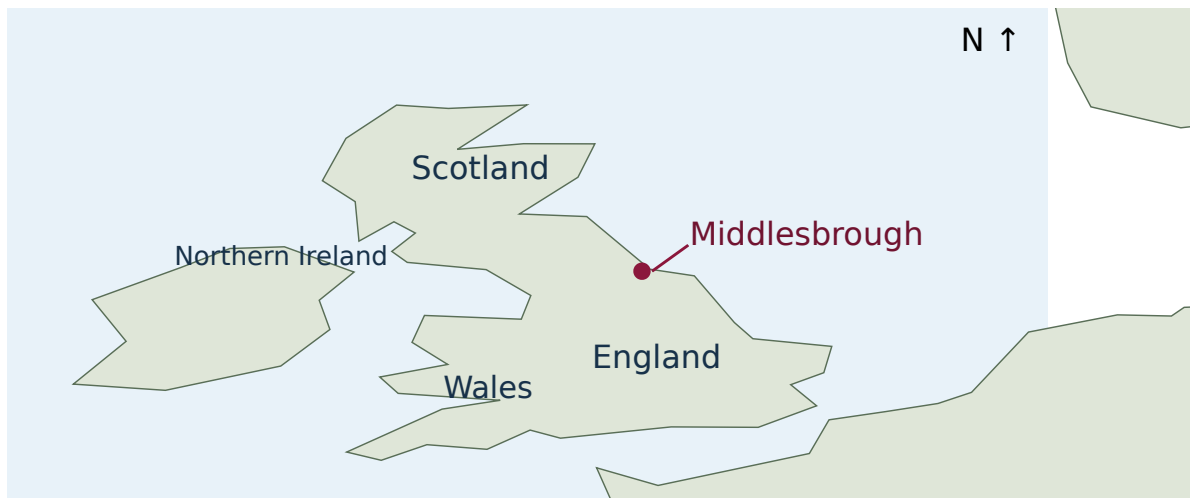

Help: Use country and continent.

4. Wider view

What happens to local detail when a larger area fits on the same page?

Help: Think of zooming out.

Evidence to use

Natural Earth public-domain land outlines. Simplified equirectangular view; north up. Marker = Middlesbrough. Country boundaries and small islands are omitted. This is a location aid, not a navigation map.

Natural Earth public-domain land outlines. Simplified equirectangular view; north up. Marker = UK. Country boundaries and small islands are omitted. This is a location aid, not a navigation map.

Supported independent task

Point to Middlesbrough on the UK map and to the UK on the world map. Identify Europe. Complete aloud: "My place is in _____. The UK is in _____." Use the labels or ask for an exact scribe.

Exit

Choose the view for a school entrance and name the continent containing the UK.

Standard independent task

Locate Middlesbrough, the UK and Europe on the supplied maps. Draw a small location chain. Write or say two sentences: where your place is and what changes when you zoom out.

Exit

Explain why a local plan is useful for a school visit but a world map is useful for locating the UK.

Stretch independent task

Locate your place within England, the UK and Europe. Explain why a local plan is more useful than a world map for finding a school entrance. Identify one limitation of these simplified maps.

Exit

Correct a country/continent confusion and explain one limitation of a simplified map.
