Small kind action choices

Pink supported edition

These examples are invented.
Hear three choices at a time.

A Say thank you

Thank a person for some help.

B Offer a turn

Offer a turn with a shared item.

C Offer help

Ask if help is wanted with a small safe task.

You may choose here.
Home is only an option if you want.

Three more invented choices.

D Put an item back Put back a shared item I used, if it is safe.
E Give time to speak Let a person finish what they want to say.
F Offer a kind drawing Offer a kind drawing, if it is wanted.

Choose one, your own small idea or choose later.
Ask first when needed. People may say no.

An invented plan

This example is about no real person.

Who Someone in my group.
What Offer a turn with a shared item.
When When I finish using it.

A possible reason

This may help another person have a turn.

A possible pledge

I can be kind by offering a turn with a shared item.

The person can say no to the turn. The plan can change.
