Word page

Paraphrase accurately and label the source.

Compare agreement and differences in emphasis.

Remove or qualify unsupported individual predictions.

Word	Meaning
Source	Where the information comes from.
Publisher	Who is responsible for the source.
Paraphrase	Explain the meaning in your own words.
Carrier	One altered allele in this recessive model.
Autosomal recessive	Two altered copies are usually needed. The gene is on a non-sex chromosome.
Uncertainty	What the source does not establish.

Say the idea in your own words. Keep its meaning and name the source.
