Teacher and cover plan

1. Outcome

Use command words, selected evidence and a clear scientific link to improve exam-style responses. Weekly outcome: Topics 2 to 3 assessment (Dec).

2. Arrival

Private, predictable start. Check current understanding or test readiness.

3. Starter

Each learner commits a first choice before any feedback.

4. I do

Show the source model and a worked example. Keep rehearsal distinct from the check.

5. We do

Hear both reasons and respond to each learner’s need.

6. You do

Each learner keeps their own answer, evidence link and limit.

7. Routes

Supported / Independent / Aspire share one task budget.

8. Access

Agreed reading, exact scribing, pointing, signing or writing. Quiet pause and re-entry.

9. TA role

Support access, record prompts and protect pupil authorship.

10. Exit

Hear the science and use it to choose the next prompt.

Teacher and cover plan · kit and timing

12. Kit, safety, evidence and timing

For the pair: two pupil record or paper sets, two pens, one tray of large prepared model/card pieces, and one staff key kept out of sight. Teacher device/projector optional. Provide two blank model/cross mats and one set of rehearsal cards. No practical or biological sample is required.

Use prepared cards and large model pieces on a tray. No biological samples or personal family details. Check the local risk assessment. No forced touch, cutting, public reading or pupil phone.

Time	Stage
0–4 min	Arrival
4–8 min	Starter
8–13 min	I do
13–18 min	We do
18–22 min	I do 2
22–26 min	We do 2
26–36 min	Independent
36–40 min	Exit

Total 40 minutes. Quiet resets and alternative routes fit inside these blocks. Keep an individual original response and record actual support.

Two learners. In rehearsal, one explains and one checks the clue, then swap. Each chooses privately first. Hear both at each hinge. Re-model only the unsure step; the secure learner tries a fresh example. Keep two individual records.
