Safe choices in three scenes

Exact lesson outcomes

Practise help-seeking and decision-making in scenarios.

Relationships & citizenship task; bank evidence.

All people and scenes are made up. Use only the stories. No real concern, account or private detail is needed. Keep your usual aids. Pass or ask for the agreed pause if you need.

Choice B Map or list

In your book, make a decide, act and tell map or list for each of A, B and C. Give a reason. Help can come first.

Choice C Three advice notes

In your book, write one short note for each of A, B and C. Use the same checks. Each note needs a choice and reason, safe action or phrase, and private adult-help route.

Shared success checks

For all three made-up scenes, give a safe choice and a reason, a safe action or phrase, and a private trusted-adult help route. Tell first if unsafe or unsure. Improve one response after feedback.

Scene A

Words: turn · listen · swap · help

Start: I would like…

Model: I would like us to agree a turn.

Scenes B and C

Words: permission · choice · voice · fair

Start: A safer request is…

Model: Can we hear each idea?

Tell first

Decide, act and tell are prompts, not a rule about order. If unsafe or unsure, tell a trusted adult first. You do not need proof or a first try before help.

All boxes start blank. Check learning about the stories, not real behaviour or wellbeing. Keep your first try, one next step and reply in your own colour or usual mode.

Type instead

Choose a map/list or three notes. Complete all three made-up scenes. Use a work code, never a name, real concern or account detail. Ask for an exact scribe and quiet readback if useful.

B Choice and reason

Save using the usual routine, lesson code and work code. A book, line choices, usual aid or exact scribe is also valid. An adult reads back quietly so you can correct your words.

Six outcome evidence review

PSHE-GROW-S2-W05 E1 · Wednesday 24 March 2027 · P3 · assessing week

Staff: use a work code, not a name. All boxes start blank. Use current work or a valid prior record. Add what it shows, usual aids, content prompts and the next chance. Tick observed, more learning needed or not observed. Explain support and gaps in the comment. These are learning judgements, not criteria for the unit award.

Week and row	Exact weekly outcome	Review tick	Comment and work reference
1 / 70	Identify features of positive friendships and relationships.	[ ] Observed [ ] More learning [ ] Not observed	
2 / 71	Manage conflict and disagreement respectfully.	[ ] Observed [ ] More learning [ ] Not observed	
3 / 72	Understand peer pressure and assertiveness.	[ ] Observed [ ] More learning [ ] Not observed	
4 / 73	Explore rights, responsibilities and getting on as citizens.	[ ] Observed [ ] More learning [ ] Not observed	
5a / 74	Practise help-seeking and decision-making in scenarios.	[ ] Observed [ ] More learning [ ] Not observed	
5b / 75	Relationships & citizenship task; bank evidence.	[ ] Observed [ ] More learning [ ] Not observed	

Weeks 5a and 5b are both in this Week 5 lesson. The source labels row 75 Week 6; the owner combines it here because the half-term has five teaching weeks. No sixth lesson is built.

One task cannot prove every outcome or lasting behaviour. Keep missing or unobserved learning visible and plan a further chance. A pass is not observed. Do not tick every outcome from completion.

Staff observation and evidence review

The unit award is conditional on staff checking actual saved evidence against current requirements through the usual process. This task does not create criteria or guarantee the unit award. No automatic banking follows completion. Do not infer personal behaviour or real account safety.

E requires actual saved work. R follows Voice, Audience, one NS and the actual pupil response. Offer to the Communication portfolio; staff confirm mapping. Private cards and real concerns are not learning evidence.

Any disclosure goes to the safeguarding lead through school procedure. Listen calmly, reassure, do not probe, investigate or promise secrecy. Follow urgent school procedures for immediate concerns. Keep real concerns and identifying details in the separate safeguarding record, not learning evidence. A pupil unable to identify a trusted adult is supported privately, not pressed.
