Staff answers & diagnostic guide — One symbol, many ways

Pathway: BASE · Week 1 Part 1 · Big question: How can we draw one shape in four new ways?

Starter answer & explanation

Question: Which box is best to see from the back wall?

Correct: Box 4 with thick brush marks — Yes. Thick dark marks stand out from far off.

Guided team check (We do) answers

Q1: We want a soft dark shade on one side. What part of the pencil do we use? -> The flat side of a soft pencil (Yes. The flat side makes smooth dark tone.)

Q2: Why do we draw the same shape in all four boxes? -> So we can test how each tool looks (Yes. One shape shows how the four marks change.)

Q3: How should the brush feel. First you paint in box 4? -> Damp with ink, not dripping wet (Yes. Wipe big drops on the pot rim first.)

Exit check answer

Question: Which word means how light or dark a mark looks?

Correct: Tone — Yes. Tone is how light or dark a mark looks.
