TA studio brief — One artist, three facts

Pathway: BASE · Week 3 Part 1 · Big question: What three facts can we spot when we look closely at an artwork?

TA practical setup & focus

Cut thick card card windows with a 5 cm square window and supply removable tape so pupils can anchor them on prints.

Studio kit: Printed studio artwork cards, magnifying card windows, three-fact log sheets, coloured pencils, black pens

Key words to prompt

• fact: Something true you can see and point to in the work.

• mood: How the colours and marks make the picture feel.

• mark set: Shapes or lines that repeat again and again.

• card window: A small card window that helps you look closely on one bit.

• copy: To draw a small part with care so you learn how it works.

Supported route steps

1. Tape your card window over a clear mark set on the artwork print.

2. Tick one colour word, one mark word,. One mood word on your sheet.

3. Copy the simple twin shapes inside your window into the big box.

4. Colour your box using the same two colours as the print.

Check: Three facts ticked. One close-up mark set coloured neatly.

Review & exit support

Exit question: What does a card card window help you do?

Staff note: Staff preparation only: review how to model using a card card window to isolate a 5 cm mark set study.
