Tier pack: Aspire route — Three studio goals and baseline audit

Pathway: SUMMIT · Week 1 Part 1 · Big question: How do we audit our current studio skills across four visual disciplines to set three measurable targets?

Aspire route studio steps

Step 1: Complete the four baseline quadrants to rigorous five-value tonal and proportional standards.

Step 2: Add a central synthesis swatch testing how dry contour and wet wash interact on your paper stock.

Step 3: Draft a structured three-goal action plan detailing your deliberate-practice methodology and critique checkpoints.

Success check

Four baseline quadrants, central synthesis swatch, and strategic three-goal action plan.

Make-it studio planner

Configure your baseline audit focus and three development targets.

Options: Quad 1: Varied contour weight, Quad 2: 5-value graphite form, Quad 3: Graded ink wash, Quad 4: Figure-ground collage

Review checklist

[ ] Check that all four quadrants have a diagnostic note underneath.

[ ] Verify that each of your three studio targets names a specific medium and measurable outcome.

[ ] Place your baseline audit sheet at the front of your studio portfolio.
