Model Plate Comparison · Tier Pack · Aspire

Learning goal: I can compare two meal plates and make food swaps so a plate matches the guide.

Aspire Route (Book First)

Explain why we use the same 4-group checklist on both plates and design a vegetarian swap for Plate B.

Help: Using the same checklist makes the test fair.
For a meat-free Plate B, use __ for protein and __ for veg.

Optional Make It · Aspire

Make a 3-plate comparison report card

Compare Plate A, Plate B, and your own custom Plate C across all five food groups plus water.

Word Help

compare: to look at two things side by side to see what is the same and different

swap: to trade one food for another food that fits the missing job

missing group: a food group on the guide that is not on the plate yet

balanced: having the right mix and share of each food group
