Food Sources · Tier Pack · Supported

Learning goal: I can say if a food comes from a plant or an animal and group animals by what they eat.

Supported Route (Book First)

Sort six food cards into Plant or Animal, and match Rabbit, Owl, and Robin to what they eat.

Help: Wheat and potato = plant. Milk and egg = animal. Rabbit = plants only.

Optional Make It · Supported

Make a Plant or Animal sorting strip

Stick or draw three plant foods and three animal foods on a 2-column strip and keep your tick table in your book.

Word Help

source: where something starts or comes from, like a plant or an animal

herbivore: an animal that eats only plants

carnivore: an animal that eats only other animals

omnivore: an animal that eats both plants and other animals
